Autonomous, NBA-UG & NAAC Accredited Institution & Accorded 2 (f) & 12 (B) Status by UGC, Recognized by DSIR-SIRO, Ananthapuramu, Andhra Pradesh

India-Andhra Pradesh Chapter
RIPER PDIC Bulletin

About the Conference

IPR (Intellectual Property Rights) is one of the direct measures of economy of a nation and India ranks 44 out of 50 nations in Global IP index. In order to harness the enormous youth potential of our nation, The Ministry of Human Resource Development (MHRD), Govt. of India has come up with an initiative to improve the IP Index by constituting Innovation councils at Higher Education Institutions (HEIs). The conference is a part of Institution Innovation Council (IIC-RIPER) constituted under MHRD's Innovation Cell (MIC), which mainly addresses the hurdles involved to convert an Idea into a patentable product/ technology with immense market potential.

Raghavendra Institute of Pharmaceutical Education and Research (RIPER)-Autonomous

RIPER is an autonomous Pharmacy Institute accredited by NAAC, NBA, recognized by DSIR-SIRO & secured 39th rank in NIRF for the year 2018. This institution is exclusively dedicated to Pharmacy education offering B. Pharm., M. Pharm., Pharm.D., Pharm.D (PB), Ph.D (full time) and D. Pharm as per norms of AICTE, PCI New Delhi and SBTET Andhra Pradesh. The institute was established in the year of 2002 under Raghavendra Educational and Rural Development Society (RERDS) and located at 11 km stone from Ananthapuramu on Chennai highway and is very near to Sri Krishnadevaraya University. The campus extends to 12 acres and is well connected by road, rail from Bangalore, Chennai and Hyderabad.

Research & Development (R&D) Division, Centre for Pharmaceutical Research (CPR) - RIPER

R&D division at RIPER is established with a goal to accelerate research in Pharmacy and its allied fields. The two main branches of R&D cell are Centre for Pharmaceutical research (CPR) Unit and Pharmacy Education Research Unit (PERU). CPR unit promotes the basic and applied research in pharmaceutical sciences and strengthens Industrial Collaborations and relations. PERU is functioning as annex of R&D unit to conduct research on education through Journal club, implementing novel teaching and learning practices.

Institution Innovation Council – RIPER

The primary objective of Institution Innovation Council (IIC - RIPER) is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are in their formative years. The IIC-RIPER is constituted under MHRD's Innovation Cell (MIC). The Major focus of IIC- RIPER is

- To create a vibrant local innovation ecosystem.
- To support Start-up Mechanism.
- To prepare institute for Atal Ranking of Institutions on Innovation and Achievements Framework.
- To establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas.
- To develop better Cognitive Ability among Students.

Call for Innovative Ideas

Enthusiastic Students/ Faculty can take this opportunity as a platform to present innovative ideas/ concepts/ working models. The best ideas/ concepts/ models will be scouted by mentors through IIC-RIPER for further development into prototypes / products for societal benefit. Prizes will be awarded for the best innovative ideas/ concepts/ working models.

For further details, kindly contact Mr. A. Sudheer (+91 8985544288), Innovation Stall Committee.
